We will be launching our very own Red Bag Scheme at OC this month .....the Red Bag Scheme will help to make hospital admissions & discharges smoother/help to save crucial time for both our residents & healthcare professionals. All vital information & patient's belongings will be kept together in one eye catching place ..... to help this run smoothly please could family members put together nightwear, underwear, essential toiletries etc in a small labelled bag so that we can have these to hand in case of emergency. Love this photo of our Jack inspecting the work taking place.....

Here at Orchard Court, along with the support from Jasmine Healthcare, we are always looking at ways to upgrade & improve our home.

The maintenance team have also installed Wireless Access Points around the home so we now have complete WiFi coverage in the home.....

**Valentine's Day**

Valentines of pink and red,  
Special words of kindness said,  
Small surprises, funny jokes,  
Paper hearts and friendly notes,

The best part of this happy day,  
Is that I get the chance to say,  
Today and for the whole year too,  
I'm glad I have a friend like you!
