The generosity from Greens On Wheels
Continues.....

The company has continued to donate
fresh fruit & veg weekly to our home
throughout the whole of the pandemic.
They have now donated a Christmas Tree
to our home which is absolutely
wonderful.

We cannot thank them enough

We would like to wish you all a very merry festive season.....

We know it is going to be a very strange one for everyone this year. We will do our very best to bring you together in one way or another.....it is very important that we carry on doing what we are doing to ensure that our home continues to remain Covid free.

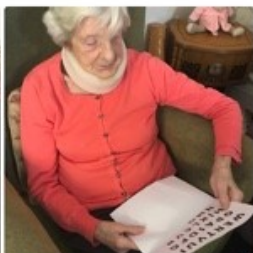

Manager Tracy would like to thank everyone for their great support & understanding during the pandemic. It is something none of us could ever predict, we have had to make the very best out of a very difficult situation. I would like to give my heartfelt thanks to the whole of Team Orchard for their devotion to our home & our residents. Each & everyone of you have done your part to ensure that our residents are kept safe....You should all be very proud of yourselves as I am proud of you. Our residents have received outstanding care & support from you all...the love & companionship I have witnessed has been second to none....our residents have remained happy throughout which is a reflection on your hard work. Thank you again for everything you do for our outstanding home.

We have lots of lovely things to look forward to over the next few weeks.....I have been giving handyman Carl a few projects & I must say I am over the moon with what he has accomplished. All will be revealed shortly.....
We will continue to have lots of fun & laughter as we always do...Shelly x
