24th August-5th September-Summer Paralympics

30th August-Summer Bank Holiday

Hello everyone here we are into August.....

It's been lovely to see some of our residents getting out with their loved ones or meeting up with them in our home.

Visits are continuing as safely as possible with loved ones completing LFD testing before close contact visits. Visits are also continuing in our Country Cottage Pod so that residents can receive more visitors during socially distanced visits.

Shelly will be taking annual leave from 19th August & will return on September 2nd. Activities will be Carer Led during this period.

We have been joined by Rachel & Tonilea who have joined the Care Team as Senior Carers. Malgorzata has joined our Housekeeping/Catering Team. We welcome them all to Team Orchard.

Anette has recently transferred from our Care Team to our Catering Team, she has been cooking up a storm already. Megan will be going on Maternity leave at the end of August in preparation for the arrival of her baby boy. We wish her well & cannot wait to meet her little bundle of joy.

We would like to welcome new residents to your new home. We hope you will be very happy with us.

If there is anything you need please do ask. We are more than happy to help.

The Month Of August

BIRTH STONE

PERIDOT

BIRTH FLOWER

GLADIOLUS / POPPY

STAR SIGNS

LEO & VIRGO

Personality

August babies are either Leos or Virgos, and there's a lot to like about people born under both of those signs. They tend to be strong, confident and organised. They make naturally strong leaders, because of their charisma and confidence.

Did you know...

- August was named in honor of Augustus Caesar. It has 31 days because he wanted as many days as Julius Caesar's month of July had.
- 1981 - MTV network debuted on cable television in the USA, actually playing music videos 24 hours a day.
- The Great Train Robbery was the robbery of £2.6 million from a Royal Mail train heading from Glasgow to London in the early hours of 8 August 1963.

The Computer Swallowed Grandma

The computer swallowed grandma
Yes, honestly its true
She pressed 'control' and 'enter'
And disappeared from view.

It devoured her completely
The thought just makes me squirm
She must have caught a 'virus'
Or been eaten by a 'worm.'

I've searched through the 'recycle bin'
And files of every kind
I've even used the 'Internet'
But nothing did I find.

In desperation, I asked Jeeves
My searches to refine
The reply from him was negative
Not a thing was found 'online.'

So if inside your 'Inbox'
My Grandma you should see
Please 'Copy,' 'Scan' and 'Paste' her
And send her back to me!
